## CLion 2018.3 EAP, build 183.3283.6

No subsystem	Bug	CPP-14303	java.lang.IllegalArgumentException on Show Local Changes as UML
Build	Feature	CPP-11760	Separate action to build all targets (additionally to having a 'Build all' run configuration)
	Feature	CPP-12498	Ability to run compiler for several files
	Feature	CPP-4746	Add a "Rebuild All" action
	Bug	CPP-14115	Exception after rebuild if build directory is deleted
	Cosmetics	CPP-14097	Split build output to be more readable by adding title with configuration name
Code: Highlighting and Inspections	Bug	CPP-13890	"synchronized" word is shown in bold in header files
Project Model	Bug	CPP-14219	Can't collect compiler info when using CMake's compiler wrapper
Toolchains	Bug	CPP-14211	Resolving symlinks while processing header-seatch-paths
Editor. Color Schemes	Bug	IDEA-197528	Color scheme editor ConcurrentModificationException
Editor. Editing Text	Usability	IDEA-197915	Unable to set unix line separator for iml file
Find, Replace, Find Usages	Bug	IDEA-177766	Find In Path: regex search finds irrelevant matches if "In commets" selected in filter
Packaging and Installation	Feature	IDEA-199523	Listing of Error/Exit codes
	Bug	IDEA-199522	Silent installation: There is no check if the installation folder already exists.
	Bug	IDEA-166445	Add SVG icon file to IDE distribution
	Bug	IDEA-199519	Uninstall: The IDE installation folder is not deleted after uninstallation
	Task	IDEA-192663	Provide special svg icons for EAP distributions
Platform API	Bug	IDEA-199458	NPE in UnionScope creation
Plugin Management	Bug	IDEA-193930	New Plugins dialog: visual garbage on the upper panel after clicking on different tabs
	Bug	IDEA-193890	New Plugins dialog: Updates page does not suggest existent newer version of bundled plugin
	Usability	IDEA-199434	Non-standard hotkey for uninstalling a plugin
	Usability	IDEA-199435	Search field is focused when returning to plugins list
	Usability	IDEA-199622	Updated plugins UI grey "Install" button for already installed plugins hard to read
	Usability	IDEA-199205	New Plugin manager: add hint for gear icon
	Cosmetics	IDEA-199197	Poor rendering of completion list in Search field on Plugins settings page
Task Management	Bug	IDEA-195862	[projectname].tasks.zip is not truncated
	Exception	IDEA-199388	Throwable at com.intellij.util.io.HttpRequests.process
User Interface	Bug	IDEA-199619	'Use dark window headers' doesn't affect the Welcome window
	Bug	IDEA-199585	Svg product icon isn't used when IDE is started from sources
	Bug	IDEA-199447	Can't select multiple files with [command]-click from Navigate files dialog (regression)
	Usability	IDEA-166944	Reopen project: a way to save half a click
User Interface. Graphics	Bug	IDEA-199416	IDEA startup NPE if no 'icons' specified in theme file

Bug   IDEA-199517   Add Run Configurations to new SE	User Interface. Navigation	Bug	IDEA-199403	New SE: skip other contributors results when search with command
Version Control   Usability   IDEA-199471   Add Shortcut to open Diff from annotations without invoking contex menu   Usability   IDEA-131325   VCS Commit Message box is using the caret foreground from "Generic" but background color is not inherited from "Generic" but background color in hereadous associated with changlist after first successful commit to but background color in hereadous inherited from "Generic" but background color in particular form solid from inherited from "Generic" but background color in hereadous in particular form solid from so		Bug	IDEA-199517	Add Run Configurations to new SE
Usability   IDEA-131325   VCS Commit Message box is using the caret foreground from "Generic" but background color is not inherited from "Generic" but background is not available in dumb mode Cease so in Bud backen in Jena 1982 but background is not available in dumb mode Central for solid particles and in Jena 1982 but background is not available in dumb mode Central for solid particles and in Jena 1982 but background is not available in dumb mode Central for solid particles and in Jena 1982 but background is not available in dumb mode Central for solid particles and in Jena 1		Bug	IDEA-199768	New SE: remove duplicates on "All" tab
