The organization of projects in IntelliJ IDEA is quite different from the organization you find in Eclipse. However, although different names are used to call things, both IDEs support the same set of building blocks and most features. Here are some frequently asked questions that can help the migration from Eclipse to IntelliJ IDEA. Questions are grouped by topic:

- [Project organization](#)
- [External references](#)
- [Facets](#)
- [Coding assistance](#)
- [Shared preferences](#)
- [VCS](#)
