

Maia 95.289 Release Notes

Version Control	
IDEA-56029 (Bug)	Changing project VCS from Subversion to None doesn't update file status
JavaScript	
IDEA-55976 (Usability Problem)	Code completion activated by a period in comments
IDEA-55965 (Bug)	AIOOBE in CompletionLookupArranger
IDEA-56105 (Bug)	Assignment of called function expression represented wrong in Structure Tool Window
Flex Support	
IDEA-51424 (Bug)	Flex 4: support <fx:Component/> mxml tag
IDEA-18890 (Bug)	Ctrl+hover tooltip shows information from SWC's, not from attached sources
IDEA-55572 (Bug)	s:DataGroup is not aware of the fx:Component when auto complete
IDEA-55989 (Bug)	Good Code Red: RadioButtonGroup not allowed inside containers
IDEA-56009 (Bug)	Move class / file in actionscript does not insert necessary imports when using star imports
IDEA-54859 (Bug)	Good Code Red: When class exists in both SWC library and SRC folder good code is red if SRC version has code and SWC doesn't
IDEA-55872 (Bug)	[flex] [as3] bad code green - extra dot '.' char in front of array operator []
IDEA-25357 (Exception)	Applying "merge declaration and initialization" intention in ActionScript code removes type
Version Control. Perforce	
IDEA-55425 (Bug)	Perforce plugin should not log passwords as a plain text
Version Control. Git	
IDEA-55741 (Bug)	Invalid master password for Password Manager
IDEA-55858 (Bug)	Git: disable Change Tracked Branch button for <none> if there isn't any tracked branch for current branch
J2EE.JSF	
IDEA-55742 (Bug)	EL code completion badly broken
Groovy/Grails	
IDEA-53914 (Bug)	Wrong inspection on immutable groovy class' constructor: cannot be applied to LinkedHashMap
UML	
IDEA-55839 (Usability Problem)	Members order in class shape is unstable
IDEA-51385 (Usability Problem)	UML node loses sharpness when pressing F2
OSGi Support	

IDEA-55501 (Performance Problem)	OsMorc: Too many pooled threads are spawned on multi-module maven project opening
IDE Configuration	
IDEA-26128 (Usability Problem)	Preselect selected live template group when adding new template
IDEA-55628 (Bug)	Settings / Live templates: predefined template text is used instead of modified
