IDEA X 98.520 Release Notes

No subsystem	
IDEA-62193 (Cosmetics)	Wrong background in File colors panel under GTK+L&F
IDEA-62174 (Bug)	Tools -> Generate Java Code from XML Schema using JAXB reports an error
IDEA-61386 (Bug)	Problems with 1.6.0_22 on OS X
IDEA-62335 (Bug)	No default look and feel startup failure
IDEA-61143 (Bug)	Idea locked 2
IDEA-62274 (Exception)	Exception
Code Formatting and Code Style	
IDEA-59193 (Bug)	Bad auto formatting in JSF2/XHTML
IDEA-49942 (Bug)	Autocomplete when formating with space between class name and parens internal class parens on autocomplete flip
Flex Support	
IDEA-62178 (Bug)	If there are > 1 classes with the same name in different packages, IDEA can take you to a wrong class when going to 'Type declaration' on a class member. (Flex support)
IDEA-62309 (Bug)	"protected override" instead of "override protected"
IDEA-62320 (Bug)	Add type to declaration fix is not available in injected context
IDEA-55826 (Bug)	Dont suggest keywords when completing variable name
IDEA-61402 (Bug)	Red code when referencing dynamic types
IDEA-56824 (Bug)	Bad code green: public field in a class is treated like an implementation of getter/setter declared in the interface of the class
IDEA-62314 (Bug)	good code red: cast: object to class (case instance.constructor)
IDEA-62090 (Bug)	Reformat code dialog: 'Optimize imports' checkbox is ignored when invoked for selection and scope changed to file
IDEA-62294 (Bug)	?????
JavaScript	
IDEA-62111 (Bug)	JS: Introduce variable should not extract lvalue
Editor. Editing Text	
IDEA-57924 (Bug)	Horisontal scrollbar not shown for one-line files.
IDEA-62265 (Exception)	Exception from soft wrap
OSGi Support	
IDEA-61503 (Feature)	Project level specification for location of bundle/jar creation

Maven Integration	
IDEA-53297 (Usability Problem)	Can't expand nodes in Artifact Search without using the mouse
IDEA-51367 (Usability Problem)	Maven: add a progress indicator to the Search artifact dialog
IDEA-55655 (Bug)	Libraries downloading from Maven repositories: if maven i set to offline mode, no artifacts are found
IDEA-25548 (Bug)	Maven settings has 'offline' set, but Download Sources & JavaDocs is misleading
Editor. Code Completion	
IDEA-62308 (Cosmetics)	Introduce variable: name suggestion list should not be faded but regular black
IDEA-54362 (Bug)	When "Insert pair bracket" on Editor->Smart keys page is off, IDEA still inserts both parentheses on autocomplete lookup, but overtype doesn't work for functions with at least one argument
Version Control. Git	
IDEA-62278 (Bug)	Tried to view diff in git log
Template Languages. FreeMarker	
IDEA-56563 (Bug)	Freemarker: IDEA hangs after "Define Implicit Variable"
