Bug

- [TW-26074](#) - Exception in AbstractDistributor.doDistribute if server is running under Java 1.7
- [TW-42308](#) - spam in log from hg: "Cannot delete '/tmp/hg1/arch.tar/.hg_archival.txt' no access on containing directory."
- [TW-42475](#) - REST: Listing builds by agent might return no builds (unregistered agent case)
- [TW-42498](#) - As of 9.1.2 having a hashbang in a Command Runner script no longer works.
- [TW-42512](#) - EC2 start-stop (EBS) images are shown with error "is not reported via Amazon EC2"
